YOU MAY BE WONDERING...

What is this about?

Covering this book is a step toward a shared vision for the future of the CfA, led by employees and the local community. This is about promoting respectful interaction, a restoration of faith, and empowering employees.

How will this work?

Any employee of the CfA can participate by signing up to receive a free copy of *Waking Up White* by Debby Irving and by attending weekly conference discussions.

What makes this a conference?

Participants can join weekly discussions for each of the book's nine sections. The book's author (Debby

Irving) will speak at the the kick-off event on June 8, 2017.

What can the average Jane get from this?

This is an opportunity for those truly committed to personal transformation and democratic cooperation. This book will help set a tone and inspire goals to be achieved through direct employee action.

This conference focuses on race. That seems divisive.

This year's conference is not meant to shame or humiliate anyone. Finger-pointing and morally pure thinking have no roles here.
